

Photographs & Filming

At King Henry School we may wish, occasionally, to take photographs of our students and film them. We may then wish to use these images in our school prospectus and in other printed publications that we produce, as well as on our website or on project display boards throughout our school. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

King Henry School may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Students will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the General Data Protection Act 2018, we need your permission as Parent/Carer for each medium before we can photograph or make any recordings of your child for promotional purposes.

Conditions of use

1. This consent is valid for the period of time your child is part of the King Henry School Community. However, we will review this at regular intervals and request you renew your consent when necessary.
2. We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website/social media, in our school prospectus or in other printed publications.
3. If we use photographs of individual students, we will not normally use the name of that student in the accompanying text or photo caption without your permission. However, on occasion we may use forenames to accompany photographs and news items and in some instances the surname may be included. We will request the press does likewise but we cannot guarantee they will comply.
4. We do celebrate our students' achievements and events, therefore photographs can be displayed in classrooms and noticeboards around the school.
5. We may include pictures of students and teachers that have been drawn by the students.
6. We may use group or class photographs or footage with very general labels, such as "a science lesson" or "the intermediate choir".
7. We will only use images of students who are suitably dressed, to reduce the risk of such images being used inappropriately.
8. We also maintain a secure archive of our whole school photographs, event images and programmes to maintain the history of King Henry School.

Where it is necessary to film or take images for examination purposes, these are also protected by the rules and regulations of Joint Council for Qualifications and the awarding bodies and are not included in this consent form as they are a legal requirement to complete the examination process.

Please complete the attached form which should then be returned to your child's form tutor.

Student Surname: Forename:
